AVAILABLE HERE!

Help celebrate the  
15th anniversary of  
**speak**  
and give every  
victim of sexual  
violence a voice.

We are partnering with Laurie Halse Anderson, Macmillan, and the Rape, Abuse and Incest National Network to combat sexual violence in the month of April (Sexual Assault Awareness and Prevention Month). Laurie has launched a Twitter campaign called #Speak4RAINN15, where she's asking her fans to support RAINN and spread the message of hope. Macmillan will match up to \$15,000 of donations made during the campaign.

**The bookstore that raises the most money during April will win a visit from Laurie herself!**  
If you'd like to donate to RAINN and join us in this cause, simply visit [donate.rainn.org/speak](http://donate.rainn.org/speak) or ask a store associate for more details.
