"Laws aren't opinions. Laws are created to ensure that we can all live in a civilized society. Laws are what protect children from predators."
- Jodi Omear

“By educating the public about consent and prevention, strengthening the criminal justice system to bring more perpetrators to justice, we can end sexual violence.”

“[Turner’s] argument is nonsense. Brock Turner violated an unconscious woman. He was convicted of assault with an intent to rape. His conviction was a direct result of his actions.” -
